RE: United States v. Marijan Cvjeticanin  
Crim. No. 14-CR-274 (MAS)

Dear Judge Shipp:

I am writing to Your Honor to respectfully request a slight adjournment in the sentencing in the above matter. I am starting trial on September 30, 2015, that is projected to last until the first or second week of November. I am a solo practitioner and the trial will monopolize the overwhelming majority of my time for the next 5 to 6 weeks. I would be woefully unprepared to proceed with the sentencing of Mr. Cvjeticanin without ample time to prepare for that sentencing. Our sentencing date is currently scheduled for November 11, 2015. A slight adjournment of three weeks would be greatly appreciated. The government does not consent to this request.

Respectfully submitted,

s/

Lorraine Gauli-Rufo  
Attorney for Marijan Cvjeticanin
